PENDULOUS SPECIES		
NCC Class	Name	Sub Class
814	Any Clivia gardenii in flower	
815	Any Clivia nobilis in flower	
816	Any Clivia robusta in flower	
817	Any Clivia caulescens in flower	
818	Any variegated pendulous species with or without flower	
819	Any pendulous species without flower	
CLIVIA MINIATA IN FLOWER		
NCC Class	Name	Sub Class
820	Clivia miniata with Orange / Bronze Flowers	
821	Clivia miniata with Yellow / Green Flowers	
822	Clivia miniata with any other colour flower	
CLIVIA MINIATA – FOLIAR PLANTS		
NCC Class	Name	Sub Class
823	Clivia miniata not in flower	leaf width less than 75 mm
824	Clivia miniata not in flower	leaf width greater than 75mm
825	Any variegated Clivia miniata not in flower	leaf width less than 75 mm
826	Any variegated Clivia miniata not in flower	leaf width greater than 75mm
827	LOB variegated Clivia miniata not in flower with	leaf width less than 75 mm
828	LOB variegated Clivia miniata not in flower with	leaf width greater than 75mm
829	Akebono variegated Clivia miniata not in flower with	leaf width less than 75 mm
830	Akebono variegated Clivia miniata not in flower with	leaf width greater than 75mm
831	Tiger variegated Clivia miniata not in flower	Any leaf width

Please note: No Clivia mirabilis, or any hybrid thereof, may be shown.
