65	Miniata – Bi-colour	Standard tepal (up to 30mm Wide)
66		Broad tepal (30mm and above)
67	Miniata – Splash	Standard tepal (up to 30mm Wide)
68		Broad tepal (30mm and above)

69	Miniata – Brushed Petals	Standard tepal (up to 30mm Wide)
70		Broad tepal (30mm and above)
71	Miniata – Picotee	Any tepal width
72	Miniata – Versi-colour	Any tepal width
73	Miniata- Bi Colour Green Throat	Any tepal width
74	Miniata - Splash Green Throat	Any tepal width
75	Any colour Miniata – Any colour distribution pattern not included in the above classes	Any tepal width
A – Flowering miniata hybrids - Special Flower Classes		
76	Miniata – Tulip flowers – Any colour	Any tepal width
77	Miniata – Spider flowers – Any colour	Tepal width 5:1 ratio
78	Miniata – Petite flowers. Flowers no more than 45mm in diameter	Any tepal width
79	Miniata – Unusual Flower Foliar or unusual shaped flowers	Any tepal width
80	Display Pot Plant - Clivia of the same clone with at least THREE fans / crowns in flower	Any tepal width
A – Flowering miniata hybrids – Multi tepal		
96	Miniata – Multi tepal - Orange / Red 7 to 9 tepals 100% multi tepal with 7 to 9 tepals	Any tepal width
97	Miniata – Multi tepal - Orange / Red green throat 7 to 9 tepals 100% multi tepal with 7 to 9 tepals	Any tepal width
98	Miniata – Multi tepal - Orange / Red 10 tepals or more 100% multi tepal with 10 or more tepals	Any tepal width
99	Miniata – Multi tepal - Orange / Red green throat 10 tepals or more 100% multi tepal with 10 or more tepals	Any tepal width
100	Miniata - Multi tepal - Any other colour 7 or more tepals	Any tepal width
101	Miniata - Multi tepal - Rose / Chrysanthemum type Multiple layers or whorls of petals	Any tepal width
B - Flowering Hybrids - Special Classes		
103	Novice exhibitor Any species of Clivia exhibited by a person qualifying as a novice	
104	Seedling tray – Any Clivia species A seedling tray containing not less than 25 and not more than 50 Clivia seedlings of which no plant may have more than 5 leaves	
105	Any variegated plant in flower	

C - Floral Arrangements		
112	Cut Flowers - Single Umbel A single umbel of any specie of Clivia in a vase	
113	Cut Flowers - Multiple Umbels A multiple umbels of any specie of Clivia in a vase	
114	Floral Arrangements Any floral arrangement consisting of mainly Clivia flowers	
D – Foliage Hybrids – Division 1 - Green leaves		
125	Green leaves very short leaf.	Narrow/Standard - leaf width ≤ 75 mm
126	Leaf length < 200mm	Broad/Very Broad - leaf width > 75mm
127	Green leaves short leaf.	Narrow/Standard - leaf width ≤ 75 mm
128	Leaf length 200mm to 400mm	Broad/Very Broad - leaf width > 75mm
132	Green leaves short leaf. Leaf length > 400mm	Broad/Very Broad - leaf width > 75mm
D - Foliage Hybrids - Division 2 - Longitudinal Variegation		
143	Striped variegation leaves very short leaf.	Narrow/Standard - leaf width ≤ 75 mm
144	Leaf length < 200mm	Broad/Very Broad - leaf width > 75mm
149	Striped variegation leaf.	Narrow/Standard - leaf width ≤ 75 mm
150	Leaf length > 200mm	Broad/Very Broad - leaf width > 75mm
160	Marginal / Median / Mandarin Duck variegation leaves -	Narrow/Standard - leaf width ≤ 75 mm
161	short leaf. Leaf length < 200mm	Broad/Very Broad - leaf width > 75mm
162	Marginal / Median / Mandarin Duck variegation leaves.	Narrow/Standard - leaf width ≤ 75 mm
163	Leaf length > 200mm	Broad/Very Broad - leaf width > 75mm
D - Foliage Hybrids - Division 3 - Non-longitudinal variegation		
215	Light of Budha variegation leaves very short leaf.	Narrow/Standard - leaf width ≤ 75 mm
216	Leaf length < 200mm	Broad/Very Broad - leaf width > 75mm
221	Light of Budha variegation leaves short leaf.	Narrow/Standard - leaf width ≤ 75 mm
222	Leaf length > 200mm	Broad/Very Broad - leaf width > 75mm
233	Akebono variegation leaves very short leaf.	Narrow/Standard - leaf width ≤ 75 mm
234	Leaf length < 200mm	Broad/Very Broad - leaf width > 75mm
239	Akebono variegation leaves short leaf.	Narrow/Standard - leaf width ≤ 75 mm
240	Leaf length > 200mm	Broad/Very Broad - leaf width > 75mm
251	Tiger variegated leaves.	Any leaf width
D - Foliage Hybrids - Division 4 - Other		
269	Any unusual leaf form	
270	Foliage plant in ornamental pot	
271	Any mixed variegation	Any leaf width / Length

E - Pendulous Species		
304	Gardenii – Any colour in flower	
306	Gardenii – A plant without flowers with an exceptional stem and leaf structure typical of the species	
311	Caulescens – Any colour in flower	
313	Caulescens – A plant without flowers with an exceptional stem and leaf structure typical of the species	
318	Nobilis – Any colour in flower	
320	Nobilis – A plant without flowers with an exceptional stem and leaf structure typical of the species	
332	Robusta – Any colour in flower	
334	Robusta – A plant without flowers with an exceptional stem and leaf structure typical of the species	
F - Interspecific Hybrids		
361	Interspecific Hybrids Versi Colour Any Colour Here the colours on the inside and outside of the tepals are different	Recurved shape flower
362		Trumpet shape flower
379	Interspecific Hybrids Multi Coloured Flowers Tricolour - Any three colours present which may be orange/red, white, yellow or green	Recurved shape flower
380		Trumpet shape flower
391	Interspecific hybrid any solid colour flower	Recurved shape flower
392		Trumpet shape flower
